

# Health Care Call System

## Backboxes Series 3160/3460 Rough-In

### Description

Jeron Series 3160 and 3460 Backboxes are used with flush mount wall frames to mount EC-300 nurse call system annunciators in wall cutout. They protect the equipment and hold conduit securely in place.

### Equipment

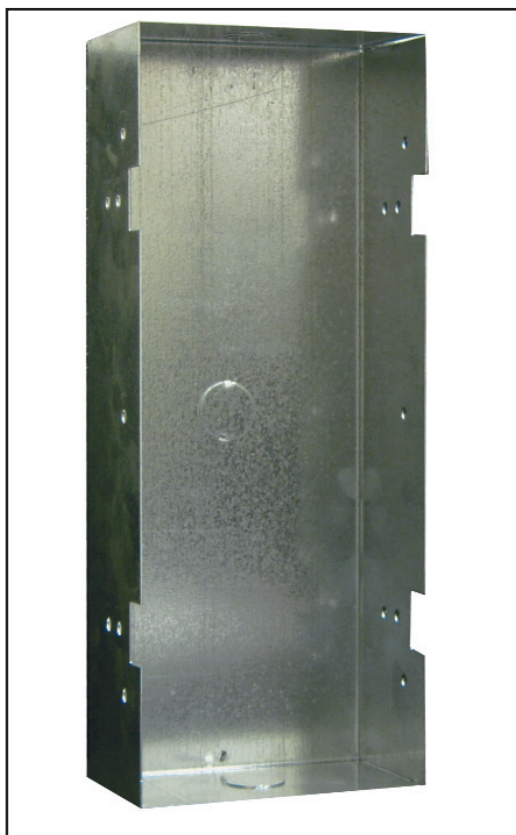

Backboxes are made of heavy gauge plated steel with knock-outs for conduit and predrilled holes for mounting on wall studs and to secure mounting straps of flush frames UL listed (1069).

Use 3160 boxes for 3150 flush wall frames enclosing STANDARD SIZE panels of 16 3/4" x 4" HxW.

Use 3460 boxes for 3450 flush wall frames enclosing MINI SIZE panels of 10 1/2" x 4" HxW.

The wall frame is included with specified annunciator Cat. # on some systems, but ordered separately as 3150 or 3450 on others; consult system sheet. Backbox is always ordered separately. Have carpenter prepare wall cutout with stud frameout to accept backbox.

Boxes can be separately shipped for installation before walls are finished to ensure correct fit; please specify on order.

### ORDERING GUIDE

| Gangs<br>(number<br>of panels<br>in frame) | Panel<br>Size | Height<br>(inches) | BACKBOX |                               |         |        |
|--|---------------|--------------------|---------|-------------------------------|---------|--------|
|  |               |                    | Cat #   | Cutout Dimensions<br>(inches) |         |        |
|  |               |                    |         | Height                        | Width   | Depth  |
| 1  | standard      | 16 3/4"            | 3160-1  | 17 3/4"                       | 4 1/2"  | 2 1/2" |
|  | mini          | 10 1/2"            | 3460-1  | 11"                           |         |        |
| 2  | standard      | 16 3/4"            | 3160-2  | 17 3/4"                       | 8 1/2"  | 2 1/2" |
|  | mini          | 10 1/4"            | 3460-2  | 11"                           |         |        |
| 3  | standard      | 16 3/4"            | 3160-3  | 17 3/4"                       | 12 1/2" | 2 1/2" |
|  | mini          | 10 1/2"            | 3460-3  | 11"                           |         |        |
| 4  | standard      | 16 3/4"            | 3160-4  | 17 3/4"                       | 16 1/2" | 2 1/2" |
|  | mini          | 10 1/2"            | 3460-4  | 11"                           |         |        |
| 5  | standard      | 16 3/4"            | 3160-5  | 17 3/4"                       | 20 1/2" | 2 1/2" |
|  | mini          | 10 1/4"            | 3460-5  | 11"                           |         |        |
| 6  | standard      | 16 3/4"            | 3160-6  | 17 3/4"                       | 24 1/4" | 2 1/2" |
